No. 11

Vol. 1

Thursday, May 25, 1950

Stirling News
(Mrs. Lief Erickson)

The Raymond Lions Club will hold a meeting next Monday evening at 7:30 p.m. in the Opera House in the nature of a special party sponsored by a team made up of the half of the club who did not do so well in our little club contest. Each member of the losing side will be assessed two plates — if he comes or if he stays home.

A report meeting will be held on the first Monday in June at which the chairman of each standing committee will be called upon to make a formal report to the Club of his years activities. There are 16 standing committees in a Lions club but our group combines a few of these. They are divided in to two sections:

- A. Administration**
1. Attendance
 2. Constitution and by-laws
 3. Extension
 4. Finance
 5. Lions Education
 6. Membership
 7. Program and Entertainment
 8. Publicity

B. Activities

1. Blind work
2. Boys and Girls
3. Citizenship and Patriotism
4. Civic improvement
5. Education
6. Health and Welfare
7. Safety
8. Community betterment

To these the Raymond Club has added two very important committees.

9. Agricultural (Calf Club)
10. Stampede

Stampede

Plans for our big Annual Raymond Stampede are progressing favorably. Will Wilde has been appointed chairman of the Grounds Committee and some very timely improvements have been made down at the Stampede grounds. The Town has donated some badly needed and well-built little houses. The fence is being repaired and the corrals and gates restored for efficient handling of the show.

Manager Karl Wilde tells us that everything is under control and progressing nicely. The Parade committee say that there is a bigger and better parade in store.

This is a community enterprise and not a Lions project; We are trying to help out with a very worthwhile Raymond tradition. It is your show to advertise Raymond and to enjoy your self. We can't put on the show without your help — and not just passive support! Every business and organization should build a float or decorate a car — that would advertise for you and give us a wonderful display on Saturday morning to start our day with a bang!

Thirty Lions and 40 or 50 other enthusiastic Raymondites work for days to put on this show, with no thought of remuneration but for goodwill and good sport. The administration costs nothing — the Lions foot the bill.

This is your show and the expenses will run pretty high, therefore your co-operation is essential so that a small profit might be made to provide the four Neighborhood Playgrounds for the youngsters of the town.

The services in the Fourth Ward were highlighted by three Stake missionaries from Magrath, Elmer Ririe, Malcolm Bridge and Patriarch Ira C. Fletcher. Mrs. Beth Bridge and Nita McBride sang a duet accompanied by Marolyn Taylor at the piano.

The Seminary class under the leadership of their teacher, Wm. L. Nalder, held an outing at the church Kirkaldy ranch. Branding and a run-away were among the many highlights of the occasion.

Mr. and Mrs. Earl Nelson had as their Sunday dinner guests Mrs. Leota Pengilly of Abbotsford, B.C. and Mr. and Mrs. Noel Brandley of Monarch.

Miss Margaret Stapely spent last week-end at her home in Aldrie.

Mr. and Mrs. Joe Weestra are receiving congratulations on the birth of a boy.

Jesse and Vida Oler have returned after spending two weeks in Taber.

E. H. Hinman, Supt. of School in the St. Mary's school division visited the local school recently.

Last Thursday evening the ladies of the U and I club met at the home of Mrs. Genevieve Barton. During the evening Mrs. Eudora Oler very ably reviewed the book, "Anne of Cleaves" which was thoroughly enjoyed by the group. A tasty lunch served by the hostess brought a very pleasant evening to a close. Mrs. Amy Spackman assisted the hostess.

Mr. and Mrs. Dick Erickson of Lethbridge spent Sunday at the home of Mr. and Mrs. A. D. Erickson.

Roger Fisher is home from Winnipeg where he is a student at a ballet school. He will return when the flood crisis is over.

A very pleasing Mother's Day program was presented by the Sunday School officers on Sunday morning. Appropriate poems and songs were given by the children after which Marie Clawson, Margaret Young and Thelma Jacobs addressed the gathering with musical numbers interspersed. After the program each mother was presented with a carnation corsage. Many out-of-town friends attended the program.

Mrs. Leona Knight was a Sunday guest at the home of her son, and daughter-in-law, Mr. and Mrs. Jesse Knight.

The piano recital, featuring Margaret Young's students and sponsored by the Ladies M.A. Club proved to be a very successful affair and was thoroughly enjoyed by the large audience attending. Approximately 38 young artists performed during the evening and did credit to themselves and to their teacher. During the evening Mrs. Young was presented with a lovely flower corsage from her New Dayton pupils and a beautiful pearl necklace from the Stirling children. Refreshments and a table of home cooking were sold after the recital, proceeds going to the Home and School organization to provide playground equipment.

Very impressive funeral services were held in the chapel on Tuesday afternoon over the remains of Alvin Reid of Coalhurst who passed away last Friday morning after suffering a severe stroke.

Bishop Zaugg conducted the service, with Mary Young in charge of the choir.

The speakers, Bishop Zaugg and Clinton Hardy spoke words of comfort and consolation to the many mourners. Fine tributes were paid by Principals of the McNally, Diamond City and Coalhurst schools where Mr. Reid taught shop and handicraft work for many years.

Vocal duets were rendered during the service by Louise Brandley and Marie Clawson, and Margaret Young and Gladys Perrett.

The many beautiful floral pieces bespoke the esteem and respect in which the family is held by their host of friends.

Mr. and Mrs. Reid were formerly of this district but have resided in Coalhurst for a number of years. Interment was in the Lethbridge cemetery.

(Continued on page three)

The complete list of the contributors to the Manitoba Relief Fund will appear next week.

AN URGENT APPEAL

A special wire has been received from the Winnipeg Rotary Club asking for financial aid, not for their Club but for the people in that devastated area. They want the Raymond Rotary Club to take any and all donations, no matter how large or small, and forward them to a central fund in Winnipeg. An official receipt will be forwarded from there as soon as possible. Leave any donations you wish the Rotary Club to handle at my office.

S. B. Card, Pres.
Raymond Rotary

We wish to add our voice to the many that are encouraging donations to the Winnipeg Flood Relief Fund.

It will take quite a long time for these people to get back to anywhere near normal and so millions of dollars are urgently needed. To echo the words of the radio announcer — "This is a national emergency" and as such every man, woman and child who is financially able should make a contribution. A list of contributors to the Rotary Fund will appear in the Raymond Recorder — get your name in the paper — give till it hurts to the Raymond Rotary fund for the relief of the people of Winnipeg.

The receipts Mr. Card speaks about are good for income tax deductions but temporary receipts will be issued at the time of the donation.

Give to the Winnipeg Flood Relief

Bridal Shower

A pre-nuptial shower was held in honor of Miss Lois Stone in the Recreation Hall of the Stake House last Friday evening. The hall was filled with gaily decorated card tables in a pink and white motif. The stage, where the bride-to-be unwrapped the many beautiful gifts, was decorated with large pink and white sun umbrellas, lawn chairs and fresh potted flowers.

The Gleaner Girls, assisted by Mrs. Ada Stone, sponsored the shower.

The program consisting of a solo by Roberta Stone of Picture Butte, piano duet by Kay and Margaret Stone, the Bride's Prayer by Mrs. Elizabeth Hamilton, a duet by Mrs. Louise Brandley and her daughter, Mrs. Marie Clawson, both of Stirling, a skit was enacted by Mrs. Vi Meeks, Mrs. Phil Meeks and Mrs. Beth Galbraith and a solo by Mrs. Jeannine Jensen was enjoyed by all.

Mrs. Nora Stone was in charge of the Bride's Book while Misses Barbara, Kay and Roberta Stone received the gifts. The bride-elect was assisted in unwrapping the gifts by Ramona Heggie, Colleen Christensen and Janet Turner.

A dainty lunch was served.

Have you noticed those bright red and white flashes walking down the street? Wondered what they were? Well, they are the champion girls basketball team's leather jackets. The girls worked hard at many projects to pay for the jackets and are justifiably proud of them. Very nice, girls.

United Church W. A.

The monthly meeting of the United Church W.A. was held at the home of Mrs. George Swedish with eight members present. Roll call was answered by giving a white elephant which will be auctioned off at the next meeting when, it is hoped, more members will be present.

The new presidency was elected with Mrs. Harold McKean, President; Mrs. George Swedish, Vice-President and Mrs. L. Hellawell, Secretary.

The next meeting will be held at the home of Mrs. Norma Zobel in the form of an out-door werner roast. All members are requested to meet at the United Church at 7:30 p.m.

Accident Report

Mr. and Mrs. Lincoln Wood and son Tom accompanied by Mr. and Mrs. Ted Gray motored to Edmonton last week for the convocation exercises at the University of Alberta where Steven Wood received his degree in law and Rex Ehler graduated in dentistry.

While travelling between Calgary and Red Deer the news of the accident to Mrs. Wood's father, Tommy Roberts and Tan Ito was heard over the radio causing them to return to Calgary where Mrs. Wood remained while the others continued on to Edmonton.

The last report on the two injured men showed Mr. Roberts suffering from concussion, all the ribs on the right side and most of those on the left are broken, one lung is punctured and collapsed and pneumonia in the other, broken sacro-iliac and a broken ankle. In spite of all this he is holding his own.

Tan Ito is suffering from a broken vertebra in his neck and will be in a cast from his neck to his hips for some months and will then wear a collar-like cast on his neck.

The accident, as far as can be determined, was caused by the steering links breaking, causing the car to turn end over end, throwing Mr. over the steering wheel and through the windshield.

Canning School

A canning school for the Canadian Region Welfare Program of the L.D.S. Church was held recently in the Welfare department of the cheese factory under the direction of John Campbell from Salt Lake City. Approximately 80 people, representing the three Canadian Stakes were present to receive the best of instruction and see demonstrations of all types of canning. As all canned goods must be of a certain standard set rigidly by the government the instructors in this program are of the best.

Those present were well pleased with the school.

The First Ward M Men and Gleaner Girls held a bonfire party and werner roast at the farm home of Mr. and Mrs. Douglas Paxman with their leaders, Mrs. Ernest Palmer and Dr. Orson Bingham in charge.

Very Important Notice

It is requested that parents having children starting school at the fall term have them registered immediately at the Public School office. The complete enrollment should be in by June 15, 1950. This should be done so that a new room may be provided if necessary.

All pupils registered must be six years of age on, or before, September 1, 1950. Please present birth certificate or certificate of blessing at the time of registering.

Raymond School Board

ROTE SPOKES

Monday noon, May 22, saw an average turnout of Rotarians to their weekly luncheon meeting at the Legion Hall. President Stewart Card presided in his usual amiable manner.

Tom Wood was guest speaker. He has recently completed a swing thru the prairie provinces on Company business. His trip took him into Winnipeg during the flood period and he gave us an eye-witness account of the situation. After Tom's talk the club passed a motion to donate two hundred dollars to the Winnipeg Relief Fund.

The Board of Directors met after the general meeting was closed, for the purpose of selecting a slate of officers for the coming Rotary year. Their work will be done in a few days and by next week they hope to be able to announce their choice.

District Conference

A great disappointment has come to our district in having to cancel our district conference. It has disappointed especially those who had made plans to attend and several who had arrived in Winnipeg.

It is regrettable that notice of cancellation had not been sent out to the clubs at an earlier date but the flood situation had been fairly well under control and the real crisis developed only on Saturday, the day preceding the opening of the conference.

A national emergency was then declared to exist and the committee decided that as a service club, which maintained as its motto, "The Ideal of Service", it could not carry on in the midst of so much suffering and loss, many of the sufferers being fellow Rotarians. It was a difficult decision to make but I am sure every Rotarian will agree it was the right thing to do.

Our sympathy goes out to the suffering people of Winnipeg and district and our prayer is that they might be sustained in this great trial and that they may soon be relieved of the flood waters.

District Governor Nominee

Rotarian Richard Mayson of the Prince Albert club was the only one proposed and so was declared the official nominee.

Dick, as he is known to Rotarians, will make an efficient Governor and will find a warm welcome in every club. Congratulations are in order, Dick, and we pledge our whole-hearted support.

Detroit Convention

In a few weeks thousands of Rotarians from all over the globe will be journeying to Detroit. From June 18 to 22 there will be an opportunity to meet friends from more than 80 countries, of different races, creeds and colors, but with the common purpose — Service.

Miscellany

To your reporter it appears that two principles are at the basis of the American and Canadian systems: freedom of choice and unrestricted opportunity for advancement. These ideas are firm convictions held by the great majority of our people for a century and a half.

The first — that as individuals we are free to choose for ourselves — that means that we must not be coerced by any person or group of persons. Laws shall be made only by representatives of our own choosing and commands shall come only from those we have voluntarily clothed with authority.

Freedom of choice may be restricted by natural laws, by economic laws or by a combination of circumstances. Until next week this is your Rote Reporter who will run the lawn-mower to alter. But we must not be compelled to obey man-made laws which we have had no voice in the making. Nor shall we be forced by other men to accept any other job. We may be slaves to economic forces but we shall never be slaves of men.

Welling Notes
(Faye Stringham)

Mr. and Mrs. Oscar Bevens are the proud parents of a son, born in a Lethbridge hospital.

Vern Peterson has returned from the hospital.

Mr. B. A. Stringham celebrated his 87th birthday on Sunday. Out of town visitors for the occasion were his son, Stan, and family from Cardston. W. R. Stevens and Mr. and Mrs. E. Smith of Barnwell.

Joyce Wilde has returned from Calgary where she has been working since her graduation from Mt. Royal College last spring.

The Stake missionaries at the Sunday evening services were Wilford Heninger, Louis Brandley and Roi Stone of Raymond.

The Floyd Wilde home is being remodelled. Murray Wilde is landscaping his home.

The George Bullock home is being painted.

The Welcome Home party for the three missionaries, Gordon Wilde, Richard Chipman and Melvin Foote will be held Saturday, May 27.

The Primary winter closing party was held Thursday, May 25.

To fill their "Out-of-door" cell the Bee Hive girls held a campfire meeting in the Pot Hole coulees.

Lela Chipman won the Westbrook Medal for general proficiency at the graduation exercises of the Galt Hospital.

Mrs. Atha Peterson, Mrs. Beth Wilde and son, Dexter, and Oscar Bevens were recent visitors in Calgary.

Harold Chipman won the trophy for the two and one half mile road race at the Cardston Track Meet.

Home and School

The regular monthly meeting of the Home and School Association will be held on Wednesday, May 31st at 8:00 p.m. in the Public School. In addition to the election of officers an interesting program has been arranged.

The teachers and school board have done their best for our children and it is hoped that parents will show their interest and appreciation by attending this meeting.

Mr. and Mrs. Wayne Holland of Taber are the proud parents of a boy, born in the Taber hospital on May 22.

The Alma Hancock family and the Scott Salmon family spent the mid-week holiday at Waterton.

led to obey man-made laws which we have had no voice in the making. Nor shall we be forced by other men to accept any other job. We may be slaves to economic forces but we shall never be slaves of men.

The other essential Canadian conviction is that each of us shall have the opportunity to get ahead. In other lands there are limits and restrictions in every field. In Canada there are no closed doors. No position is beyond the reach of any man who possesses the attributes needed for it.

In Canada the opportunity for advancement is the cornerstone of our economic life and probably the greatest factor in our national progress. There must always be jobs for those who are able-bodied, industrious and intelligent, provided that their behavior is in conformity with their intelligence. There must always be opportunity for such men to improve their economic position.

These two principles are fundamental. We must not lose sight of them if we are to preserve our Canada. Until next week this is your Rote Reporter who will run the lawn-mower if you'll trim the edges,

THE NEW RAYMOND RECORDER

Come to Church

"The hour shall be filled with music, With songs, and praise, and prayer; And the burdens of life shall be lifted From all who enter there."

It is good for us in the general uproar of the world to pass through a season of quiet meditation and put our fingers on our spiritual pulses and see what kind of life we are living. We cannot best estimate our own life in the noise of the street and the turbulence of the world and need to retire within and shut the door that we may see with a quiet eye and balanced judgment what manner of persons we are. The world is too much with us, and late or soon we spend our spiritual substance in worldly ambitions and anxious living. Simply to step into the seclusion and quiet of a church tends to cool our fevered pulses and calm our agitated hearts and give us peace. God is the great need of our souls, and while we should always live in His presence, yet there are times and means for realizing in a special degree His nearness.

S. B. CARD & SON

For Parents Only

By-Nancy Cleaver

Helping the Shy Child

"Jean is so shy, I just dread when she should start to school. She does not seem at ease with other children and she positively dreads being left alone with a strange grown-up! I wish I knew how to help her, but the more I urge her to be friendly the less she seems to want to mix with others!"

Mothers who have the problem of a very shy son or daughter are well advised to solve this difficulty before the child starts school. It is true that a shy child often suffers from too much parental attention. Seldom does a very shy child belong to a large family, likely he is an "only child". He feels his mother's anxious interest constantly focused on his actions and this tends to make him self-conscious and self-centered. But at the same time, mothers cannot let a very shy child "muddle along" hoping that time will cure this handicap.

The shy child is usually one who has lacked the opportunity to play with other youngsters and to get to know adults outside the immediate family circle. Sometimes he has been subjected to too repressive and strict discipline. More often his parents are too fearful of harm befalling him and they have adopted a too protective attitude to all he does.

"Don't climb so high, you may fall!"
"Be careful or you'll hurt yourself!"

These are type of admonitions he is constantly receiving from his mother. Much of the need for change lies in the parent's treatment of the too-shy small child, rather than in the child himself.

The shy child should have a chance to play regularly with other children, even if this demands special planning. In a city or town, the small fry in the same block soon "sort down" together and have good times in each other's yards. The Community Play Centres are a great help to children who are inclined to be shy because there they can enjoy the play equipment and gradually get to know other boys and girls who spend their time there. But for a child in an isolated district or a farm home, a mother can arrange a "Visitor's Day" for a neighbor's child of about the same age. The other child's mother will likely be willing to take a turn look after the children, giving the shy child a chance to play with a chum at home and also to visit at the chum's home.

The habit of arranging for a "baby sitter" occasionally in the day-time, an older girl or woman who likes children and knows how to play with them is a help to a child of a retiring nature. Friendly relatives, aunts or grandmother, can strengthen a child's liking for other grown-ups besides his parents, whom he can trust and whose company he enjoys. The mother who prides herself on never leaving her child with anyone else is not really preparing him to grow beyond the earliest dependent stage of childhood. As a child gets older if he is entrusted with small errands, such as going to the store for a loaf of bread, his self-confidence is built up. He needs praise and re-assurance for these excursions by himself, or for times when he has made a real effort to be friendly to a caller.

An adult visiting in a home where there is a very shy child should never comment on it, but should chat with him without expecting him to reply unless he feels like it. Children often enjoy having something they are wearing admired and many a visitor has found "What nice shoes you have!" a splendid introduction to an acquaintance with a child who is bashful.

CAUSE OF THE FLOOD

This is the ninth serious flood in southern Manitoba since 1826. These floods are the result of four natural causes. Each year some of them happen but when the combination of all four occurs, as it did in 1826, 1852 and 1861 and this year, then extreme trouble ensues. Here are the causes:

1. Unusually heavy snowfall over all the land in Minnesota, North Dakota and Manitoba that drains into the Red River.

2. The Spring opening quite late, so that instead of the snow melting gradually and flowing into the river over a period of a month or six weeks, melting occurs quite suddenly.

3. Heavy rains from the previous fall saturated the ground so that when the spring run-off occurs the land cannot absorb any more moisture and so most of the run-off flows into the river.

4. During the period that all this is happening unusually heavy rains fall over the whole area affected in both the United States and Canada.

This combination was responsible for the present flood condition.

The first indication of a flood in Manitoba came around April 4th when the Red River began to swell in North Dakota. Although the flood increased gradually and spread from States up the river to Winnipeg many people lost everything they owned and are in desperate circumstances and need the help of every Canadian. Your contribution will be accepted at the coal office of the Rotary president, S. B. Card.

Give to the Winnipeg Flood Relief

HORROR MOVIES ARE BAD FOR TEETH

Blood-curdling radio serials and horror movies are ruining children's teeth, says Dr. G. E. Philpotts, Melbourne, Australia, dentist.

Growth of teeth in young children depends on the health and efficiency of the nervous system, he told a recent meeting. The system cannot function normally in children whose nerves are jangled by late nights and the nervous excitement of crime stories.

STIRLING NEWS

(Continued from page one)

On Tuesday afternoon the ladies of the Miladi club were entertained at the home of Mrs. Melba Herget. A discussion, "Food and its Relation to Health" led by Pres. Pauline Erickson proved beneficial and informative to all present. The remainder of the afternoon was a baby shower honoring Mrs. Rose Adamson and her new baby. Many lovely gifts were received.

A delicious lunch was served at the close of the afternoon by the hostess.

Mrs. May Oler is holidaying at the home of Mr. and Mrs. George Gillette in Scandia.

Mrs. L. Pengilly of Abbotsford, B.C. is visiting with members of her family and her many friends in the district.

JUNE SURVEY

What's on our farms? That's what the Dominion Bureau of Statistics would like to know. It's something that you are interested in too. Towards the end of May questionnaires will be distributed and farmers across Canada will be responding as usual with their rapid completion and return of the forms.

Answers to the questions asked will provide the basis for estimates of field crop acreages and the number of livestock and poultry at present in Canada. Summarized by the Bureau this information is used by governments, farm organizations and industry to plan for the future. The world Food and Agriculture Organization also depend on these figures for up-to-date knowledge of Canada's agricultural industry.

When you return your form it will be seen only by workers in the Dominion and Provincial agricultural statistical offices. All individual forms are kept strictly confidential.

Local Happenings

The First Ward Mutual held their weekly meeting in the form of an outing and weiner roast at Shaeffer's Lake. Godfrey Holmes, Mose Fromm and Orson Bingham had their motor boats and everyone present enjoyed one or two rides.

Many people travelling along the highway, thinking an accident had happened, joined the crowd and stayed to enjoy the festivities.

Mr. and Mrs. Arlie Allred are the proud parents of a daughter born last week in Calgary.

Holiday visitors in Waterton include the orchestra, Colleen Mitchell, Nita McBride, Barbara Stone, Gordon Heggie, Sham Stevens and Ronald Spackman.

The Third Ward Sunday evening services featured the Stake missionaries, Murray Holt, Heber Allen and H. Dean Rolison. Miss Betty Jo McLean sang a solo accompanied by Miss Hazel Fairbanks at the piano.

Miss L. Hall of Magrath and Mrs. Lettie Litchfield accompanied Mr. and Mrs. Earl Geddeman of Taber to Great Falls for the week-end.

Mrs. Maude Rolison is convalescing at home after having been a patient in the Galt Hospital.

Mr. and Mrs. Doug Paxman and Mr. and Mrs. L. L. Palmer were Cardston visitors on Wednesday.

Harold McKean was a business visitor in Calgary recently.

Mr. and Mrs. Maurice Cooper spent the week-end visiting Mr. and Mrs. Wayne Gibb in Picture Butte.

Mr. and Mrs. Wilford Hill and Mr. and Mrs. Burdett Hill of Taber were recent guests at the Cal Hill home.

Mr. and Mrs. Mervin Thompson of Magrath were guests at the home of Mr. and Mrs. Murray Holt on Sunday.

Mrs. LaVon Depew was a Calgary visitor this week.

Geraldine and Wayne Rolison of Salt Lake City were recent visitors with friends and relations here.

The Amity Club was held at the home of Mrs. Idale Kenny with Mrs. Reid Erickson as guest. Handwork was featured during the afternoon. A delicious lunch was served by the hostess.

Edna Rolison, Mrs. Liz McLean, Mrs. Irene Bowden, Mrs. Lettie Litchfield and Mrs. Mary Thompson of the factory office staff held a surprise party for Mrs. Edna Mae Kinsey at her home on the occasion of her birthday. A lovely gift was presented to the guest of honor. A tasty lunch was served.

The greatest menace to tractors is dirt in the air supply. Every day the oil in the air cleaner should be examined and the bowl cleaned when sediment is observed. Examine the air tube and clean off accumulation of dirt that has collected on the sides.
